

SMART COMFORT™

THERAPEUTIC AIR MASSAGE

HEAT ON/OFF

heat

HOME

Hold down the rocker to bring your chair to the home position.

recline

MESSAGE ZONES

Customize your massage by controlling which zones are activated.

1 2 3

4 mode

pwr

LEDs will signify which zones are currently on. If no zones are selected, then the massage will turn off.

POWER

Turns all massage zones and modes on and off when pressed.

If heat is on, then pressing the power button will also turn off heat but pressing the power button will not turn the heat on.

HEADREST, RECLINE AND LUMBAR CONTROLS

Inflate and deflate the furniture controls using the rockers.

Example:

lumbar

push this side to deflate

push this side to inflate

MESSAGE MODES

Choose a massage mode by pushing the button. The LED signify which mode is activated. Modes include:

SMART COMFORT™

THERAPEUTIC AIR MASSAGE

PERSONALIZE YOUR MASSAGE WITH AIR

Utilizing four air bladder zones and three massage modes, your massage will relax your mind and body.

Mode types:

ALTERNATING ZONES

WAVE

PULSE

HEAT THERAPY

Not only will heat therapy keep you warm during the winter, but heat will help with relaxation.

Heat therapy can:

- Increase blood flow
- Manage pain
- Aid in relaxation

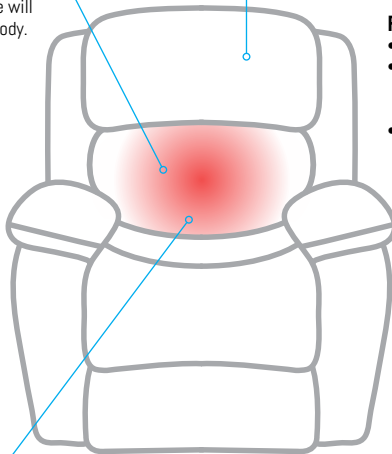

RELAXATION CUSTOMIZED

With the Smart Comfort™ air massage system, you can fine tune your experience to address your needs.

Relax your way:

- **Inflate** lumbar support
- **Recline** to your favorite relaxing position with a touch of button
- **Adjust** the headrest for watching tv, napping or reading
